

Field Measure Sheet

Date _____

Contractor _____

Project name _____ Telephone () _____ - _____

Email _____

APN _____ - _____ - _____ - _____

Project address _____

Proposed deck dimensions

Measured in the following sequence:

Deck Outline (rough sketch) _____ Deck Outline (lineal dimensions) _____

Corner elevations _____ Downspout locations _____ Covered Area SF _____

Proposed deck conditions

Ledger connection: yes or no Freestanding: yes or no Notes _____

Proposed stairs

Tread count _____ Tread width _____ Tread depth _____ Riser count _____

Riser height _____ Spiral _____ Switchback landings _____ Notes _____

Proposed ramps

Rise _____ Run _____ Width _____ Notes _____

Site pictures checklist (taken in same sequence as measurements)

Perimeters _____ All deck areas _____ Railing _____ Rain gutter downspout locations _____

Stairs (looking up and down) _____ Elevations _____ Foundation & connections _____ Ledger connections _____

Proposed design materials

Decking material (manufacturer, kind, color): _____

Decking pattern (random, perimeter border, picture frames): _____

Railing (manufacturer, kind, color; surface mount or fascia mount): _____

Stairs (manufacturer, or custom): _____

Special use/engineering (i.e. spa, outdoor kitchen, firepit, shade structure, swimming pool): _____

Special conditions (i.e. penetrations: roof support posts, trees, etc): _____
